

ATMA is a credible, comprehensive and single-window test for admissions to numerous Post-Graduate Management Programs like MBA, PGDM, MCA, MMS and other management post graduate courses (* subject to local regulations). ATMA is a high quality, online objective type Nationally accepted entrance test. This test is recognized by AICTE and Ministry of HRD, Government of India and is conducted across all the states in India.

ATMA seeks to become a benchmark test in the world of Management Education. ATMA does not require any specific prior knowledge of business or other subject areas, nor does it seek to measure achievement in any particular field. The Test is designed to assess the aptitude of the students for Higher Management Education and primarily consists of sections on verbal, quantitative and analytical reasoning skills.

ATMA EXAM OVERVIEW:
